

2023 Group Photography Pricing

First Group: \$500

Then, \$75 per additional group done on the same day

- A group is the same set of people posed together in the same location
- Adding or subtracting people becomes a new group
- Moving to a different location becomes a new group

No hidden fees. All fees include:

- Portable studio lighting set-up
- Travel to a location in the city of Chicago
- Multiple shots taken in each group to avoid blinkers
- Basic color correction, exposure correction, and cropping of all shots from the day
- All photos from the day
- All photos delivered in high resolution
- The license for your company to publish the images

Optional add-ons:

- **Portrait-style retouching of skin, hair, clothing:** Priced on a case-by-case basis starting at \$50 per image
- **Blinking correction:** \$50 per person's eyes retouched (not typically necessary, as many photos are taken on site to avoid this)
- **Object removal:** Priced on a case-by-case basis starting at \$50 per image
- **Headshots:** Discounted rate given when done on the same day as group photos
- **Prints:** Photo prints are available through our photo printing partner
